INSTRUCTIONS

Every year the **Aeronautics Division** grants a publicly owned airport with the *Airport of the Year* award. Nominating an airport for *Airport of the Year* recognizes the successful efforts made by airport personnel who have enacted programs or completed projects that are above the norm.

Nomination forms are available to members of the Arizona aviation community who would like to recognize airports that they believe deserve this special recognition.

The **Aeronautics Division** bases this prestigious award on the information provided in four areas:

COMMUNITY RELATIONS/AIRPORT ADVOCACY

List the activities beyond what you expect from an airport.

- ➔ What special community relations or airport advocacy events promoting the airport did the nominee host?
- ➔ How did the nominee improve relationships with the public or professional organizations?
- ➔ What new or improved services did the nominee add?
- ➔ What new or improved educational programs or activities did the nominee complete?

AIRPORT MANAGEMENT

List improvements and activities implemented by airport management.

- ➔ What improvements did airport management make?
- ➔ What activities to improve tenant relations did the nominee initiate?
